March 18, 2010

Dear Absolutely Incredible Kids of Anchorage,

I would like to salute you on this special day and encourage you to do your best to become absolutely incredible kids. And, you know it's a lot easier to be "incredible" than you might think. You don't have to be the best in the world at everything you do, but just making a special effort to do a really good job at whatever you do will qualify you to be called "incredible."

On this day when we recognize all of Anchorage's absolutely incredible kids, I think it would be a great idea for each of you to think about the things you can do to make your community an even better place to live. This would be a terrific example for anybody who wants to be an absolutely incredible kid.

Thank you for being such amazing, inspirational kids!

Sincerely,

A handwritten signature in blue ink that reads "Dan Sullivan".
